

You will find us in the traffic-calmed city center of Constance, in the Zollernstrasse 26, on the 2nd Floor (above the Timberland store) close to the Constance cathedral and the St. Stephansplatz.

If you use public transport, it is a 10 minute walk from the main station to our office. Just follow the green dotted line on the map below.

Arriving by car we recommend parking the car at one of the marked parking spaces. The parking guidance-system will inform you at all arterial roads about the actual situation in the car parks. The parking space at St. Stephans-Square is not available during market-days on Tuesday and Friday.

We are delighted to welcome you and wish you a good journey.
