

You will find us in the Technopark Winterthur (TPW) in the former Sulzer industrial area, in the Technoparkstrasse 2, Entry A, 4th floor. An elevator is in place.

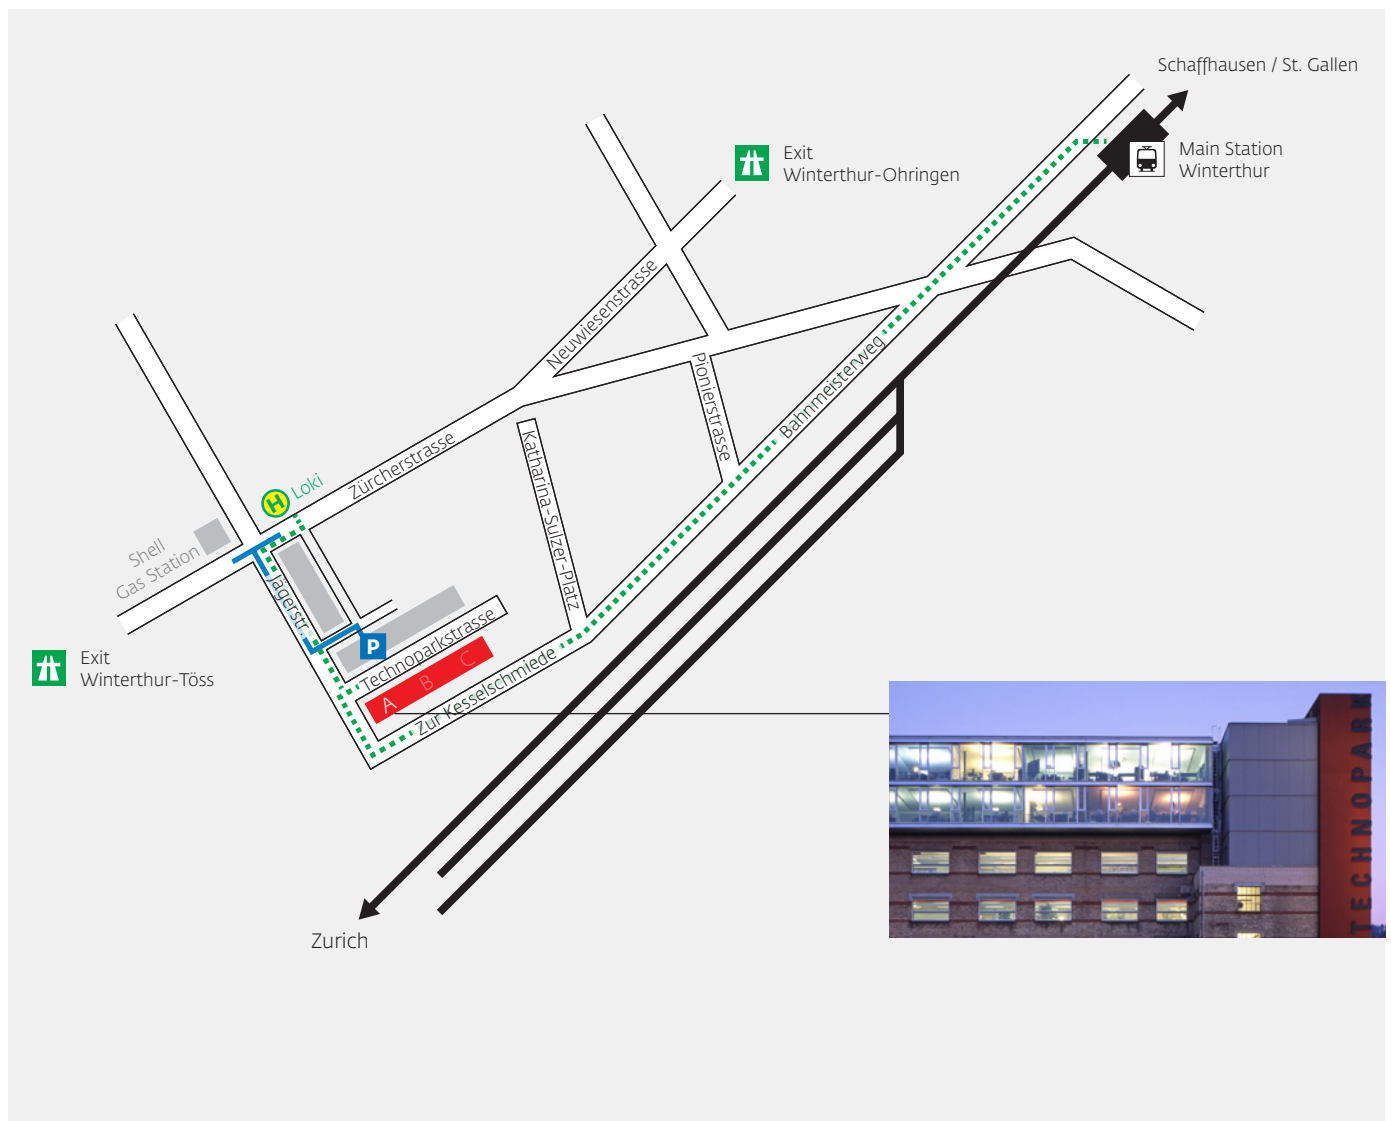

If you use public transport, it is a 10 minute walk from the main station along the rails (direction Zurich) to the TPW. Or you can take the bus line 1 (direction Töss) to «Loki» (3rd stop).

Arriving by car, you turn from the Zürcherstrasse into the Jägerstrasse. There is the car park «Technoparkstrasse» in the building next to the TPW.

We are delighted to welcome you and wish you a good journey.
